# Bedir Gocmez

## Frontend Web Developer

I have been working in the IT field since 2020 and have completed numerous courses in this domain. Initially, I enrolled in courses through Udemy. Then, in 2022, I successfully completed an 11-month FullStack Web Developer program offered by HiCoders. Currently, I am pursuing a Frontend/App Developer course at Changemaker Education Yrkeshögskola in Sweden. I am passionate about working towards my goals.

## Experience

2022 - Currently

### Frontend Developer

I currently continue to work as a Freelance Frontend Developer.

2018 - 2020

### Student Coach

During the academic year 2018-2020, I worked as a student coach and Psychology Teacher at Happy Education Educational Institute in Turkey.

2011 - 2016

### Primary School Teacher

During the academic year 2011-2016, I worked as a primary school teacher at Toros Primary School and Gokkusagi Primary School in Turkey.

## Personal Characteristics

As a person, I enjoy working consistently, attentively, both in team settings and independently. I find it easy to communicate with others and take personal responsibility. Additionally, I am helpful and considerate of others, yet remain goal-oriented and cooperative. I am open to trying new teaching methods. I have a quick learning ability, am responsible, and value compromise.
